Greetings!

Our event committee members would like to invite you and your business to support and attend this brand-new event in our community.

On Saturday, July 27 Bluffton Rd will close from 1 to 4pm for a huge community festival. "A Walk In Waynedale" will take the place of the Waynedale Community Picnic and relocates the festival to "downtown" Waynedale along Bluffton Rd., between Old Trail Rd. and Interlaken Dr. We've made this shift to provide more event space, better parking and to attract more exposure for our community and its businesses. And most notably, to get people out and moving to celebrate a healthy lifestyle using our community's new sidewalks and trails!

There are several sponsorship levels in which you or your company could lend a hand for this event. No matter what the level of sponsorship, your support is vital to the success of this event. We rely heavily on the support of local people and businesses from the community. There are many perks designed for our sponsors, but most importantly this is an impactful way to be part of a great community event and show your support for Waynedale.

Please consider a sponsorship or donation to "A Walk In Waynedale" community festival and help us continue to bring a free day of fun, togetherness and community building to Waynedale. Sponsorship levels can be found on the attached Sponsorship Form. If you would like to be a vendor, we would love to help brainstorm activities that you can hold at your booth for guests.

We thank you for your consideration and willingness to support the community!

Sincerely,

Camille Garrison
